Puzzle Pencils

We can take education and school for granted in this country but some people in the world don't have access to education or to a school building.

Mission Direct help build schools for those who don't have a school building to learn in.

This gives hope to the children and helps them to have a better future.

Print and cut out the pencil shapes. Match up the puzzle pencils with the opposite word. You may like to write your own words.

As you match the opposites think or pray for these children and the work of Mission Direct.

Cut out these puzzle pencils and add your own opposite words to the blank ones
